Dear Mr. Waller:

This is in regard to your February 28, 1989 application for twin trailer access from US 220 to your terminal in Eden. A portion of NC 135 was involved in this routing. That request was denied by letter to you dated May 8, 1989. Mr. Gary Beaver in Roadway's Kernersville office recently called to advise the same section of NC 135 had been approved earlier by NCDOT for twin trailer use by another company under another application. A check of our records revealed this to be true.

As a result of this discrepancy, we had our field traffic engineers recheck and reevaluate NC 135. They now feel there are no significant problems along NC 135 that should preclude this route from being used by twin trailer traffic. As a result, we are rescinding our earlier denial and approving NC 135 for access between US 220 and your terminal. The approved route is as follows:

NC 135 from US 220 to SR 1533 southwest of Eden, SR 1533 from NC 135 to NC 14 south of Eden, NC 14 from SR 1533 to SR 1747 (Stadium Drive), and SR 1747 (Stadium Drive) from NC 14 to the Roadway Express terminal at 216 West Stadium Drive.
